CLOCK-IN AND -OUT TO START AND END TIME RECORDING

01

Tap **Add Time** from the **Hours** screen.

- Select who you are working for.

02

- Tap on the service you will be providing to this person.

03

- Tap **Start Time** to record your visit in real time.

- Another option to log hours: **Manually Enter Time**

You may select Enter Time to create or edit your shift if you forgot to clock in or out. If you are required to use EVV, this will be flagged as non-compliant since your shift and location was not recorded in real time.

If you are required to use EVV, you may be asked to select a reason for using manual time entry.

04

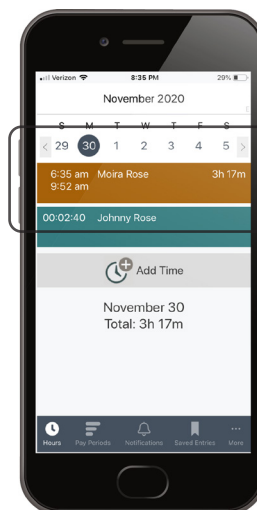

- Once your shift is over, select **End Time** to clock-out and finish recording your visit in real time.

05

- Enter additional visit information by tapping **Activities and Notes** (if required by your program).

- Tap **Submit** once you reviewed your visit information.

06

- Your entry is then submitted to the pay period and will show on **Hours** screen. Tap **Entry** to edit or view.

Go to **Pay Periods** screen to view your time entry.

PAY PERIODS

- Tap **arrow next to name** to view time entries for another person.
- Tap the **right or left arrows next to calendar date** to select another pay period.
- Tap **entry** to view or edit.

APPROVE ENTRIES

- Select all entries you need to either approve or reject, then tap **Approve Selected** or **Reject Selected**
