Direct Care Worker Hazard Pay

Pennsylvania Office of Long-Term Living received funds to issue a “Hazard Pay” to Direct Care Workers in the consumer-directed program in support of the statewide response to COVID-19.

Direct Care Workers (DCWs) who provided services from 8/16/2020 through 10/24/2020 qualify to receive Hazard Pay. PPL worked with Office of Long-Term Living to determine the Hazard Pay amounts for qualifying DCWs. The payment amount is based on hours worked up to 40 hours per week during the 8/16 – 10/24/2020 COVID period. The estimated gross payment amount that a DCW can receive will range from a few dollars to over \$500. PPL is updating its system to pay the Hazard Pay to Direct Care Workers as soon as possible in December 2020.
