AVAILABLE IDENTOGO SITE LOCATIONS

In light of the COVID-19 outbreak, Public Partnerships and DDS have not received notification that there would be a statewide closure. Please keep in mind the situation is always evolving and this may change at any time. **Public Partnerships strongly suggests contacting the fingerprint location directly to confirm the location remains open before scheduling your appointment.** Thank you for your patience.

In the event there is a closure, a notification will be issued to impacted applicants by calling the preferred phone number listed on the applicant's IDEMIA registration. If you have a question regarding the status of your appointment, please contact IDEMIA Customer Service at 866-349-8130.
