

SHOW ME THE MONEY - RATES EFFECTIVE JANUARY 1, 2022

ATTN EMPLOYERS - This chart shows how much each worker will earn based on the services they provide and your county of residence. PPL tries to capture as many eligible tax breaks as possible for your worker. The taxes for these wages will automatically be withheld by PPL, based on the *Family Relationship Form* submitted in your worker packet to PPL. A list of the tax rates is noted at the bottom of this chart.

Please note: Rates in in this table are subject to change.
