

Temporary Self-Directed Employee (SDE) Overtime: Update

As indicated in the April 3rd Temporary Self-Directed Employee (SDE) Overtime guidance, the Division of Developmental Disabilities (DDD) is temporarily allowing eligible SDEs to work overtime during the COVID-19 public health emergency and be reimbursed at time-and-one-half for overtime (hours worked over 40 per week).

To date, and while PPL prepared to implement this temporary initiative, SDEs have been paid at their base wage for all hours worked, including overtime.

On Friday, May 22nd Public Partnerships will issue a special supplemental payroll to compensate eligible SDEs at the additional one-half (50%) of their base wage for overtime from 3/23 – 5/3/2020.

For overtime hours worked by eligible SDEs beginning on 5/4/2020, compensation at time-and-one-half will be issued in regularly scheduled payrolls beginning with the 5/28/2020 payroll.
