

To Whom It May Concern,

is an essential home care worker for the Kansas WORK program that provides in-home services and supports for populations vulnerable to COVID-19.

This worker is required to report to work during a State of Emergency and Shelter-in-Place order.

Please contact their individual employer, who can provide employment verification if required.

Public Partnerships LLC is the fiscal agent and payroll administrator contracted by the state to administer payroll and related services for each participant in the state program. PPL is not this individual's employer.

The holder of this letter agrees that they will only use this letter in their capacity as a worker in the Aetna Medicaid work program and will not provide this letter to anyone other than a government official requesting a copy or otherwise make copies of this letter.

Sincerely,

Public Partnerships LLC
